ABOUT ME

Dr. Sheila Mutuma, is a Scholar, researcher (Gender Specialist) and a participant trainer. She holds a PhD in Gender and Development Studies and is currently a lecturer in the Department of Sociology, Gender and Development Studies (Gender Section) at Kenyatta University. She also holds a Master’s degree in Gender Studies from the University of the Free State, Bloemfontein, South Africa.

Sheila’s research specialization includes gender analysis, gender mainstreaming, Gender Responsive Budgeting, and the development of gender-responsive practices and policies at the institutional, community, and program levels. Over time, she has undertaken various gender-related trainings, gender responsive research and consultancies funded by different local and global organizations. She is currently actively engaged in the following projects:

Research Projects, Consultancy & Professional Engagements		
YEAR	FUNDER	PROJECT
2026 to date	AMREF	Waste to Wealth (WAWE) Using innovative business models to turn organic market waste into organic fertilizer and animal feeds (WAWE)", implemented by the Alliance of Bioversity and CIAT (Alliance) and its partners
2025 to date	European Union.	Gender Equality Plans (GEPs). The project aims to promote gender equality within Kenyan universities through the development and implementation of tailored Gender Equality Plans (GEPs). The primary objectives are to assess the current status of gender equality across Kenyan universities, identify gaps and challenges, and co-create GEPs that reflect both international best practices and local contexts. By adopting a participatory approach.
March 2025- Sep 2025	Kenya Urban Roads Authority (KURA)	Kenya Urban Roads Authority (KURA) Identification of potential Gender barriers, gender inequalities, gaps and entry points for gender mainstreaming in road infrastructure project- Meru Bypass Serving as a researcher
2023-ongoing	European Union.	Integrated and Circular Technologies for Sustainable City Region FOOD Systems in Africa (INCiTis-FOOD) Horizon Europe, ID 101083790 Dr. Mutuma serves as the task manager (Gender specialist) of the project. Key responsibilities include: Planning, implementation, monitoring and evaluation of all projects activities as per the

		stipulated objectives. Dissemination/advocacy and reporting of the findings. • The project is aims to improve food and nutrition security (FNS) in African city regions and reduce the food-system-related environmental footprint while contributing to circularity. • In this project, Dr. Mutuma serves as a gender specialist, Data and Communications Manager. Responsibilities include: guiding gender mainstreaming, dissemination, reports and advocacy efforts. Overseeing data protection and also the custodian of all project documents. • She recruits and engages external collaborators, mostly youth and women, who are expected to be future adopters of the INCiTIS Technologies within urban and Peri urban areas of Nairobi City to help address Nutrition issues and urban food insecurity.
2020- 2025	Bill & Melinda Gates Foundation (BMGF) /Kenyatta University/ Kenya	<i>“Women’s Participation in Management and Leadership in the Public Sector in Kenya: Closing the gender gap,”</i> Under Kenyatta University-Women Economic Empowerment Hub (KU-WEE Hub). ▪ Dr. Mutuma served as a Principal Investigator (PI) ▪ The KU-WEE Hub Project ensured that relevant ministries and departments, county government, policy leaders (legislators and policy makers) implementing agencies and donors utilize empirical evidence to implement and shape policies, programs, interventions, and advocacy efforts related to supporting women’s economic empowerment (WEE) in Kenya. ▪ The main purpose of the project is to generate a body of evidence to advance Women’s Economic Empowerment (WEE) in Kenya. The project focused on three thematic areas. Women’s Roles in the Public and Private Sectors; Women’s Skilling and Mentoring; Violence, Crisis, and Women’s Work. ▪ Responsibilities include coordinating a team of researchers in amongst other things; Conducting gender audits and needs assessments to identify gaps in management and leadership within the public sector; overseeing data collection and protection while translating empirical evidence into policy briefs that guide legislators and donors; coordinating teams of researchers in amongst other things: planning, data collection, presentation of findings at stakeholders’ workshops, development and dissemination of policy briefs, gender responsive trainings, advocacy and documentation of reports; Publishing research findings amongst other relevant gender focused initiatives that guarantee the objectives of the projects are met.

2017- Ongoing (Community engagement)	A diverse array of funding sources	• Hope Foundation for African Women (HFAW) - Kajiado & Kisii Counties (Kenya) • Dr. Mutuma servers as the Board Chairperson • The organization focuses on partnership building, community level mobilization and capacity-building/training initiatives. • Social and Economic empowerment of women and girls • Supports startup initiatives to empower women and girls, reaching out to and sensitizing local leaders to be part of the empowerment processes. • Responsibilities include: Fund raising, partnership, oversee effective implementation of the organizations activities
		•
